- c. At initial registration each team shall provide a photocopy of the official team roster. The roster must include a uniform number for each rostered, guest or loan player, which must remain constant for the entire

tournament. If circumstances require a change in uniform number for any game, that change must be reported in advance to the officials on-site.

- d. At Check-in, one hour prior to game time, a team representative must present and have available the properly certified roster for the team for that weekend (specifically indicating which players are participating that day), player passes with photo IDs for each participating player and an Authorization for Medical Treatment form (commonly referred to as a Medical Release) executed for each player. The Authorization should ideally be notarized (although not mandatory if not required by the governing body) and must have been executed within the last twelve months. Information will be presented to the registration desk at the site.
